## COMPETITION PATHWAY:

In partnership with the England Handball, the Greater Manchester Local Organising Committee proudly presents the Under 13 Boys and Girls Handball Competition. The event is aimed at encouraging more young people to participate in and enjoy competitive Handball and it is hoped it will also be used as a catalyst for ongoing participation and development.

The School Games competition is open to all schools; however they must have qualified through their local SGO area/borough heats in order to progress to the County Final. The event is aimed at new and emerging schools and therefore not for those who already compete in the Under 13 National Schools Cup. If Schools do take part in this Cup, they should enter their 'B' team.

The competition adopts a simple pathway as follows:

### 1. SGO Area/Borough Stage

Secondary Schools within an SGO area/Borough will be encouraged to enter the first stages of the competition at a venue local to their school. The winning boys' team and winning girls' team from the Borough will then be invited to the School Games County Final.

### 2. Greater Manchester School Games County Final

This stage of the competition will be organised in partnership with the England Handball and will comprise of the winning boys and girls teams from across Greater Manchester.

NB An athlete can only represent their school in one sport at the GM School Games County Final.
